

Fallon Preferred Care Choice 2000

Benefit Summary

Fallon Preferred Care network

Fallon Preferred Care is an extensive national and regional network comprised of hundreds of thousands of providers that gives our members the flexibility to receive care close to where they live and work.

The FCHP difference

With Fallon Preferred Care Choice 2000, you get everything you need to live a healthy life. This plan has a high deductible to keep your monthly premium low. It can be partnered with a health savings account to help pay for out-of-pocket costs. In addition, you get:

- **\$0 copayments for routine physical exams**
A fitness reimbursement of up to \$400 for families (\$200 for individual contracts).
- **Member discounts** on products and services to keep you healthy and features you won't find anywhere else.

How to receive care

In-network and out-of-network coverage

Fallon Preferred Care is a preferred provider organization (PPO) plan, and as such, we contract with a network of participating providers who have agreed to provide health care services to our members—your use of participating providers is strictly voluntary.

When you obtain covered services from participating providers, you will receive the in-network level of benefits. We pay participating providers directly; you will not have to file claims when you use participating providers. When you obtain covered services from nonparticipating providers, you get the out-of-network level of benefits. You may need to submit a claim for covered services you receive from nonparticipating providers. For information on claims submission, refer to your Fallon Preferred Care *Member Handbook/Evidence of Coverage*.

Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your Fallon Preferred Care *Member Handbook/Evidence of Coverage*.

Specialty medication

Specialty medication that falls under the medical benefit will apply towards your deductible. For more information, please contact FCHP's Customer Service Department at 1-888-468-1541.
