- **A fitness reimbursement of up to \$150** that can be used for gym memberships at the gym of your choice with no limitations, school and town sports fees, home fitness equipment, exercise classes, ski lift tickets, and more!
- **\$0 copayments for routine physical exams** and other preventive services, including mammograms, cholesterol screenings and immunizations
- **\$0 copayments for routine annual eye exams**
- **Pedi-Dental** up to age 19 included.
- **Pedi-Glasses:** One designated set, once per calendar year.
- **Nurse Connect:** A free 24/7 nurse call line
- **Teladoc™ telemedicine** – Commercial members get 24/7 access to a national network of U.S. board-certified doctors to discuss non-emergency conditions by phone, mobile device or online. Teladoc doctors can diagnose and treat over fifty types of common illnesses.

### How to receive care:

This plan provides access to a network that is smaller than Fallon's Select Care provider network. In this plan, members have access to network benefits only from the providers in Direct Care. Please consult the Fallon Health Direct Care provider directory; a paper copy can be requested by calling

Customer Service at 1-800-868-5200, or visit the provider search tool at [fallonhealth.org](http://fallonhealth.org) to

determine which providers are included in Direct Care.

### Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with Fallon to provide or arrange most of your care. As a member of Direct Care Platinum Connector, you must select a PCP. To do this, just complete the section on your Fallon Health membership enrollment form. If you need help choosing a PCP, please visit the "Find a Doctor" tool on [fallonhealth.org](http://fallonhealth.org) or call Customer Service.

### Obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the Direct Care network: routine obstetrics/gynecology care, screening eye exams and behavioral health services. For more information on referral procedures for specialty services, consult your *Direct Care Member Handbook/Evidence of Coverage*.

### Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your *Direct Care Member Handbook/Evidence of Coverage*.

## Plan specifics

### Benefit period

The benefit period, sometimes referred to as a “benefit year,” is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.

### Out-of-pocket maximum

The out-of-pocket maximum is the total amount of deductible, coinsurance and copayments you are responsible for in a benefit period. The out-of-pocket maximum does not include your premium charge or any amounts you pay for services that are not covered by the plan.
