

Direct Care and Select Care Top 100 Preferred Drug Formulary

As of 7/1/15

This is not an all-inclusive list. For more information, visit fallonhealth.org/gic or contact Fallon Health Customer Service at 1-866-344-4442.

Please note:

- Generics should be considered the first line of prescribing.
- This drug list represents a summary of prescription coverage. It is not all-inclusive and does not guarantee coverage.
- Brand name products are represented in CAPS and generic products are represented in all lowercase.
- The member's prescription benefit plan may have a different copay for specific products on the list.
- Log in to fallonhealth.org/gic to check coverage and copay information for a specific medicine.

Questions? Just ask!

If you have any questions, contact Fallon Health Customer Service at 1-866-344-4442 (TRS 711) or visit us on our website at fallonhealth.org/gic.

Direct Care provides access to a network that is smaller than the Select Care network. In this plan, members have access to network benefits only from the providers in Direct Care. Select Care members have access to network benefits only from the providers in Select Care. Both Direct Care and Select Care members may pay different levels of copayments, coinsurance and/or deductibles depending on the tier of the provider delivering a covered service or supply. This plan may make changes to a provider's benefit tier annually on July 1. Please consult the Select Care or Direct Care provider directory—paper copies can be requested by calling our Customer Service Department at 1-866-344-4442—or visit the provider search tool at fallonhealth.org/gic to determine which providers are in Direct Care and/or Select Care.
