Important information

About this provider directory

This provider directory is arranged in sections.

- On pages vii-x is an alphabetical listing of Massachusetts hospitals with emergency room services located in all areas of the state. If you need to access emergency care, you can go to any of these hospitals without a referral. An alphabetical listing of Fallon's contracted network hospitals can be found on page 2407
- On pages xi-xvii is an alphabetical listing of statewide behavioral health (mental health and/or substance abuse) emergency services program (ESP) providers located in all areas of the state. If you are having a behavioral health crisis/emergency, you can access any of these services programs 24 hours a day, seven (7) days a week. No referral is necessary for emergency behavioral health services.
- On pages 2465-2471 is an alphabetical list of all Fallon urgent care facilities and mini clinics. Note: Fallon urgent care facility hours may vary.
- On pages 1700-1823 is an alphabetical listing of all the towns where Fallon PCPs are located. There's an alphabetical listing of Fallon PCPs arranged by primary care type. Each provider's entry includes the following applicable information:

His or her name	Handicapped accessibility	Languages spoken
Address	Open, closed or limited panel	Medical interpreter services
Phone number	Interpreter services	Office hours
The hospital(s) to which he or she can admit patients	Areas of special experience, skills and training	Braille and sign language service

- Pages 1824-2371 include an alphabetical listing of all Fallon contracted specialty providers. Each provider entry includes the same information as listed above.
- Pages 1-1699 include an alphabetical listing of all Fallon contracted behavioral health providers. Each provider entry includes the same information as listed above, as well as licensing information.

The information contained in this book is current as of the date of printing. Fallon regularly expands its network of providers, so there may be additional providers available who are not listed here. For the most current listing, you can visit fallonhealth.org to search for providers online. Simply click on "Find a doctor," and in the Advanced Search section, select MassHealth in the "Search a specific plan's network."

Copies of this provider directory are available in Spanish, large print and other alternate formats like Braille by calling Fallon's Customer Service Department at 1-800-341-4848 (TRS 711), Monday through Friday from 8 a.m. to 6 p.m. You can also call this number to have this Provider Directory read to you in English or in other languages, or if you are looking for a particular physician who is not listed here.

Some providers are accepting a limited number of new patients. We have indicated this status with a lowercase "l" (l) following these providers' names. However, it's always best to check with each provider to be certain he or she is accepting new patients.

Below is a legend to explain the statuses indicated throughout the directory.

Status	Explanation
l	Accepting a limited number of patients; call provider office
c	Closed to new members
h	Handicapped accessible
i	Interpreter services
b	Braille and sign language services
mt	Medical interpreter services
v	Available for routine vision services

Choosing a primary care provider (PCP)

Your primary care provider (PCP) will manage your basic health care needs. Each family member covered by Fallon Health must select a PCP. You can choose from among these types of PCPs:

- A provider of internal medicine for adults
- A provider of family practice for adults and children
- A provider with an OB/GYN specialty listed in the primary care provider section (for women only)
- A pediatrician for children (usually up to age 18)

If you need to change your PCP, you can do so by calling Fallon Customer Service at 1-800-341-4848 (TRS 711), or by visiting fallonhealth.org. To search for providers online, simply click on "Find a doctor," and in the Advanced Search section, select MassHealth in the "Search a specific plan's network."

Specialty care providers

In most cases, you may see specialty providers only when referred by your PCP. For example, if you need to see an allergist, a doctor that takes care of you when you have allergies, your PCP will arrange a referral for you. Generally, you may not set up an appointment with a specialist without first consulting your PCP. In some cases, you don't need to get a referral. For example, you can receive behavioral health services, OB/GYN services, family planning services and eye exams without calling your PCP first.

Family planning services can be obtained from any contracted MassHealth provider, including your PCP or an OB/GYN provider located at a community health center, multi-specialty group practice or individual office, without a referral. This includes birth control methods as well as exams, counseling, pregnancy testing and some lab tests. Call Fallon Customer Service at 1-800-341-4848 if you need help finding a provider for family planning services.

If you need behavioral health services, you may choose any provider in Fallon's behavioral health network. You can make the appointment on your own or call Beacon Health Options at 1-888-421-8861 (TDD/TTY: 1-866-727-9441), Monday through Thursday 8:30 a.m. to 6 p.m., Friday 8:30 a.m. to 5 p.m., to help you find a provider. You may also ask for assistance from your PCP.

Preauthorization may be required from your PCP for acupuncture services. If you are seeking these acupuncture services for detoxification treatment, please contact Beacon Health Options at 1-888-421-8861

(TDD/TTY: 1-866-727-9441), Monday through Thursday 8:30 a.m. to 6 p.m., Friday 8:30 a.m. to 5 p.m., to help you find a provider.

To search for specialty care or behavioral health providers online, simply click on "Find a doctor," and in the Advanced Search section, select MassHealth in the "Search a specific plan's network."

See the section entitled "We'll help you pick a primary care provider" in your *Member Handbook* for information about scheduling health care appointments as well as information about referrals and authorizations.

Emergency and post-stabilization services

Emergency and post-stabilization services do not require referral or authorization. When you have an emergency health condition, you should go to the nearest hospital emergency room or call your local police department, fire department, or 911. You can find a list of statewide hospital emergency rooms beginning on page vii of this directory. For behavioral health emergencies, you may also call your local behavioral health emergency services program (ESP) provider. A list of statewide ESP's is located in this directory beginning on page xi. You should notify your health care provider about your emergency as soon as possible. You or someone else should call to tell your PCP about your emergency care within 48 hours and, if you experienced a behavioral health emergency, someone should contact your behavioral health provider within 48 hours. For more information on emergency benefits and plan procedures for emergency services, see the section titled "We'll help you pick a primary care provider" in your *Member Handbook*.

Getting care when you travel

You are covered for emergency services, post-stabilization services and urgent care services, such as injuries and sudden illnesses, wherever you travel, even if you are outside of Fallon's service area. If you become seriously sick or hurt while you are away, go to the nearest doctor or hospital emergency room or call 911. Be sure to call your PCP, and, if applicable, your behavioral health provider, within 48 hours of receiving emergency, post-stabilization or urgent care while you travel. Routine care when you travel is not covered. For more information on getting care when you travel, consult your *Member Handbook* in the section titled "Getting care when you travel."

If you get a bill

As long as you go to a Fallon network provider or have Fallon's approval to go to an out-of-network provider, your provider cannot bill you for a service that is covered under the Fallon MassHealth Program. But, if you get a bill for services you got from a provider, contact the Fallon Customer Service Department at 1-800-341-4848. A representative will help you with the bill. For more information on what to do if you get a bill, see the section titled "Important things to remember about Fallon Health" in your *Member Handbook*.

Nurse Connect

As a member of Fallon MassHealth, you have phone and online access to registered nurses who serve as health coaches. This service is available 24 hours a day, seven days a week. So if you are feeling lousy at 3 a.m., or your baby has a fever and won't stop crying, or you have a question about a recent diagnosis, you can contact Nurse Connect anytime, day or night. But please remember, Nurse Connect does not take the place of your health care provider. Members can call 1-800-609-6175 (TDD: 1-800-848-0160).

Questions?

If you:

- Cannot find your provider in this directory.
- Would like to have this directory read to you.
- Would like a copy of this directory printed in a larger type size.
- Would like this directory in Spanish.

Children’s Behavioral Health Initiative (CBHI) services

Listed here are the CBHI services in Massachusetts. CBHI is an interagency undertaking by the Executive Office of Health and Human Services and MassHealth whose mission is to strengthen, expand and integrate Behavioral Health Services for Enrollees under the age of 21 into a comprehensive system of community-based, culturally competent care. **NOTE: Additional CBHI Services can be found in Community Service Agency and Emergency Service Provider sections of this directory.**

Behavioral Health Providers

Behavioral health services range from outpatient/home services to inpatient and 24-hour diversionary services programs. To get services and/or find a provider, you can call Beacon Health Options at 1-888-421-8861 (TDD/TTY: 1-866-727-9441). In a behavioral health emergency, call 911, go to an emergency room or contact your local emergency services program (ESP) provider. A statewide list of ESPs can be found in this directory under the heading "Behavioral health emergency services program (ESP) providers." Always notify your behavioral health provider and your PCP as soon as possible after an emergency.

Fallon Health Customer Service: 1-800-341-4848 (TRS 711) M-F, 8 a.m. - 6 p.m. Or visit us on-line at fallonhealth.org. For information about behavioral health providers, please call Beacon Health Options at 1-888-421-8861 (TDD/TTY 1-866-727-9441), M-Th, 8:30 a.m. - 6 p.m., F 8:30 a.m. - 5 p.m. Or visit them on-line at www.beaconhealthoptions.com

Counseling providers

If you think you should see a behavioral health provider, you should first speak with your primary care provider (PCP). However, you can choose to make an appointment yourself with a behavioral health provider. No prior authorization is required for the first 12 visits. However, after that you would need prior authorization from the plan. If you need help finding a behavioral health provider, please call 1-888-421-8861 (TDD/TTY: 1-866-727-9441). All outpatient behavioral health providers offer 24-hour on-call coverage.
