

Oh Baby!

A health and wellness program for birth, baby and beyond

Fallon Health is proud to offer Oh Baby!, a program for our members who are expecting or planning to adopt a baby. Oh Baby! has all kinds of information, as well as useful and important items (plus some fun extras!) to help welcome your new addition.*

The Oh Baby! program includes:

- Prenatal vitamins and information about prenatal care
- Convertible toddler car seat
- Portable electric breast pump
- Home safety kit for childproofing your home
- Your choice of either:
 - Temporal artery thermometer
 - or
 - *Caring for Your Baby and Young Child: Birth to Age 5*, by the American Academy of Pediatrics
- Reimbursement for the cost of a completed childbirth or sibling class
- Reimbursement for the cost of lactation support and counseling services from a certified provider

You'll also receive resources, support and educational information, and other special items—all at no cost!

Program eligibility and benefits may vary by employer, plan and product.

** The baby's mother must be on the policy to obtain the free prenatal vitamins, and on the policy of the date of birth to obtain the electric breast pump. To receive the convertible car seat, the home safety kit and the book or the temporal artery thermometer, your baby must be on the policy. All of these materials are available up to the child's second birthday.*
