

The City of Worcester Advantage pediatric dental providers

The providers featured below may provide dental services to children less than 12 years old. No referral is required for services when you use a provider on this list. However, you will need a plan authorization for orthodontia services. For a full explanation of benefits and covered services, please refer to your Schedule of Benefits. This list is subject to change without notice. Prior to seeking treatment, please verify that your dentist is a participating provider. Your dental benefits are available only at participating dental offices.
