

# Direct Care Deductible 2000 Low

Benefit Summary—Benefits effective January 1, 2021

# The Fallon Health difference

Direct Care is a limited provider network. With Direct Care, you get everything you need to live a healthy life. This plan features comprehensive medical benefits for lower monthly premiums and slightly higher out-of-pocket expenses compared to our other plans. Your monthly premiums are reduced further through the use of an annual deductible for certain services. Plus, you get:

- A fitness reimbursement: It Fits!, an annual benefit period fitness reimbursement including streaming fitness programs, Peloton subscriptions, school and town sports programs, gym memberships, home fitness equipment, Weight Watchers<sup>®</sup>, aerobics, Pilates and yoga classes, ski lift tickets and more!
- **\$0 copayments for routine physical exams** and other preventive services, including mammograms, cholesterol screenings and immunizations.
- \$0 copayments for routine annual eye exams.
- Nurse Connect: A free 24/7 nurse call line.
- **Telehealth:** Commercial members get 24/7 access to a national network of U.S. boardcertified doctors to discuss non-emergency conditions by phone, mobile device or online. Doctors can diagnose and treat over fifty types of common illnesses.

## How to receive care:

This plan provides access to a network that is smaller than Fallon's Select Care provider network. In this plan, members have access to network benefits only from the providers in Direct Care. Please consult the Direct Care provider directory; a paper copy can be requested by calling Customer Service at 1-800-868-5200, or visit the provider search tool at fallonhealth.org to determine which providers are included in Direct Care.

## Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with Fallon to provide or arrange most of your care. As a member of Direct Care, you must select a PCP. To do this, just complete the section on your Fallon Health membership enrollment form. If you need help choosing a PCP, please visit the "Find a doctor" tool on fallonhealth.org or call Customer Service.

#### **Obtaining specialty care**

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the Direct Care network: routine obstetrics/gynecology care, screening eye exams and behavioral health services. For more information on referral procedures for specialty services, consult your Direct Care *Member Handbook/Evidence of Coverage*.

#### **Emergency medical care**

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your Direct Care *Member Handbook/Evidence of Coverage.* 

Benefit period   Varies by activity of the benefit period, sometimes referred to as a "benefit year," is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.   Varies by activity of the plan for certain covered services. The amount that is put toward your deductible is taked based on the allowed charges you pay per benefit period before payment is calculated based on the allowed charge or the provider's actual charge—whichever is less.   \$2,000 indivity \$4,000 families is calculated based on the allowed charge or the provider's actual charge—whichever is less.     Embedded deductible   Please note that once any one member in a family accumulates \$2,000 of services that are subject to the family deductible, that individual member's deductible is considered met, and that family member will receive benefits for covered services rendered during the last three months of the benefit period will be applied toward the deductible for the next benefit period. Deductible amounts are incurred as of the date of the service.   Included     Out-of-pocket maximum   The out-of-pocket maximum also does not include your presention charge or any amounts you pay for services that are not covered by the plan.   \$8,550 indivity \$17,100 fam your presention charge or any amounts you pay for services that are not covered by the plan.   \$8,550 indivity \$17,100 fam your presention charge or any amounts you pay for services that are not covered by the plan.   \$8,550 indivity \$17,100 fam your presention charge or any amounts you pay for services that are not covered by the plan.   \$8,550 indivity \$17,100 fam your presention charge or any amounts you pay for services that are not covered by the plan.   \$8,5

# **Questions?**

If you have any questions, please contact Fallon Health Customer Service at 1-800-868-5200 (TTY users, please call TRS Relay 711), or visit our website at fallonhealth.org.

This health plan **meets minimum creditable coverage standards** and **will satisfy** the individual mandate that you have health insurance. As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years and older, must have health coverage that meets the minimum creditable coverage standards set by the Commonwealth Health Insurance Connector.

Benefits may vary by employer group. Weight Watchers<sup>®</sup> is a registered trademark of Weight Watchers International, Inc.
